## ABOUT US

*Where surgery meets the next decade.*

**GCSA 2027** is a global forum for pioneering technique, perioperative research and cross-disciplinary dialogue across surgery and anaesthesia.

Across two days of keynotes, parallel technical tracks, video sessions and hands-on workshops, we convene the brightest minds to chart the frontier of operative medicine.

« GCSA 2027 is more than a conference — it is a launchpad for your research, your clinical practice, and your next translational collaboration. »
