ABOUT THE CONFERENCE

GSBG 2027 is a global forum for pioneering research, clinical translation and cross-disciplinary dialogue across the full spectrum of biotechnology, genomics and bioengineering.

Across two days of keynotes, parallel technical tracks, poster sessions and focused workshops, we convene the brightest minds to chart the frontier of biotechnology — from laboratory science to clinical impact.

Why Attend Our Conference?

FRONTIER RESEARCH

Be the first to hear the latest scientific advances, innovative approaches and emerging trends in the field.

PUBLICATION OPPORTUNITIES

Selected high-quality abstracts may be considered for publication in partner journals.

EXPERT SPEAKERS

Learn from renowned speakers, key opinion leaders and practitioners from leading institutions worldwide.

KNOWLEDGE EXCHANGE

Explore new perspectives, discuss emerging challenges and exchange ideas with researchers and experts from around the world.

Connect with researchers, clinicians and industry professionals from around the world to build lasting collaborations.

Join in the way that works for you — attend on-site at the host venue or participate online from anywhere in the world, with sessions available live.
