## ABOUT US

*Where digestive medicine meets the next decade.*

**GCGD 2027** is a global forum for pioneering research, clinical translation and cross-disciplinary dialogue across gastroenterology and digestive diseases.

Across two days of keynotes, parallel technical tracks, video sessions and applied workshops, we convene the brightest minds to chart the frontier of GI care.

« GCGD 2027 is more than a conference — it is a launchpad for your research, your clinical practice, and your next translational collaboration. »

## Why Attend our Conference?

### FRONTIER RESEARCH

Hear first on breakthrough findings across 35 scientific sessions in gastroenterology.

### PUBLICATION OPPORTUNITIES

All accepted abstracts published in the ISBN-allocated proceedings; selected papers invited to partner journals.

### WORLD-CLASS SPEAKERS

Keynote, plenary and invited speakers from leading US and international institutions.

### AWARDS & RECOGNITION

Best Paper, Best Poster and Young Investigator awards with global visibility and certificates of excellence.

### GLOBAL NETWORKING

Connect with researchers, clinicians and industry leaders across 12+ countries — in one room, over two days.

### HYBRID EXPERIENCE

Two days of curated networking and a gala dinner — attend on-site in the USA or stream every session live, worldwide.
