ABOUT US

Where metabolic medicine meets the next decade.

GSOD 2027 is a global forum for pioneering research, clinical translation and cross-disciplinary dialogue across obesity, diabetes and weight management.

Across two days of keynotes, parallel technical tracks, poster sessions and applied workshops, we convene the brightest minds to chart the frontier of metabolic care.

« GSOD 2027 is more than a conference — it is a launchpad for your research, your clinical practice, and your next translational collaboration. »
